Testimonials:

Dear Royce Brook Staff,

Our daughter's wedding reception was just perfect and beautiful. Everyone had a great time from beginning to end. I'll share some of the comments we heard, everyone said the food was wonderful and the portions filling. The staff very warm, friendly and helpful and the atmosphere was beautiful.

We thank you so much for the wonderful and perfect experience.

Best wishes and thanks to all.

Diane & Randy

Dear Royce Brook,

We must tell you of the most wonderful experience we had at your facility and how flawless Royce Brook managed our affair.

On September 24th 2005 we had our son's Bar Mitzvah celebration in the Highlander Pavilion. We celebrated with 135 guests.

The food displays and passed hors d'oeuvres were fabulous.

The bar staff was attentive to my guests.

The entire area was always clean, never a dirty plate or napkin amidst the displays or tables.

Throughout the day, the staff was always on top of things but never in anyone's way. They folded napkins, cleaned plates away and made sure the buffet was presentable at all times. All this was at the direction of the Catering Manager. Not only did we recognize the outstanding service, but our guests noticed as well. They continuously told us how impressed they were with the manner in which your staff handled the affair.

In addition to the fabulous job your staff did at the affair, the time that was spent with us in the days and months leading up to the affair were just as valuable and commendable.

All of our questions were answered in a timely manner and most importantly we were assured that everything would be perfect and it was.

We look forward to future visits to Royce Brook, which may include the Bar Mitzvah celebration of our second son in two years and to seeing and working with Royce Brook again.

Sincerely, Cheryl & Steven

Dear Royce Brook,

Thank you for the opulent service you and your staff provided our family and guests.

My family and I are most grateful for the expertise, professionalism and standard of excellence we experienced at Royce Brook. Without you we would not have been able to pull this off!

Thanks again, and I am sure we will be hosting another event at Royce Brook.
